

Active Shooter Prevention & Response

Our comprehensive "Active Shooter Prevention and Response Training" is designed to equip individuals with the knowledge and skills to proactively prevent and effectively respond to potential threats of violence.

About Our Program

In today's ever-changing world, ensuring the safety and security of our communities has become a top priority. We focus on the prevention of targeted violence by teaching the attendees the signs of person on a path to violence. We then give them the tools and game-plan to respond effectively in a critical incident.

Why Choose Us?

This course is led by a seasoned law enforcement professional with expertise in behavioral threat assessment and proven tactics for countering violent intruders. This course can be taught in-person or live webinar.

IDENTIFYING CONCERNING BEHAVIOR

Learn the principles of behavioral threat assessment to identify warning signs and concerning behavior that may indicate a potential threat. Your staff can learn to take proactive measures to intervene and prevent violence before it occurs.

DENY, EVADE, ENGAGE PRINCIPLES

In the unfortunate event of a violent intruder, knowing how to respond swiftly and decisively is crucial. Our course will teach you the proven "Deny, Evade, Engage" principles, providing strategies to maximize survival and protect those in your care.

TAILORED TO YOUR UNIQUE MAKE-UP

Our instructor will conduct a 30-minute tour of your facility to understand its unique layout and specific security challenges. This information will be integrated into the training, ensuring the strategies taught are tailored to your needs.
